

FAVOUR WITHOUT LIMIT V

He did this that He might clearly demonstrate through the ages to come the immeasurable (limitless, surpassing) riches of His free grace (unmerited favour) in His kindness and goodness of heart toward us in Christ Jesus. Eph.2:7 (AMP).

"Through Him also we have [our] access (entrance, introduction) by faith into this grace (state of God's favor)..." (Romans 5:2a AMP)

Faith gives access to God's unlimited Favour. We are saved by Grace (unmerited FAVOUR), through Faith (Eph.2:8). Unwavering Faith in God's Promises triggers Favour without Limit. Your Level of Faith in God's Promise will determine the Level of Favour you can enjoy from God.

But without faith it is impossible to please Him, for he who comes to God must believe that He is, and that He is a rewarder of those who diligently seek Him. (Hebrews 11:6 NKJV)

Whatever Pleases God Provokes His Unlimited Favour. Since Faith please God, it has the capacity to release God's unlimited Favour. This also means that anything contrary to Faith does not please God and so doubt can shut the door against Favour. Doubt and Fear can extinguish Favour in your life, without you knowing.

Since Faith has to do with what we say- we have to be careful what we say. What you say can put a Limit on God's Favour in Your life. It will correct to say, as much as you want to be Favoured you have to believe. As much as you want to be FAVOURED, you have to speak. ...TO BE CONTINUED.

ALONE WITH GOD
PATHWAY TO THE
SUPERNATURAL

MONDAY: Understanding Our Supernatural Identity. Take a moment to reflect on your identity in Christ and the incredible inheritance that awaits you. Ephesians 1:3-4.

TUESDAY: Accessing the Power Within. The Holy Spirit dwells within us, empowering us to live supernaturally. Ask the Holy Spirit to fill you afresh and lead you into a deeper experience of His power. Acts 1:8.

WEDNESDAY: Activating Your Faith. Faith is the key that unlocks our supernatural potential. Reflect on moments when your faith has moved mountains and consider how you can strengthen your faith to access even greater realms of God's power. Hebrews 11:1.

THURSDAY: Walking in Healing. Healing is part of our supernatural heritage. Spend time in prayer, asking God to bring healing to areas of your life that need restoration. Isaiah 53:5.

FRIDAY: Engaging the Power of Prayer. Prayer is a supernatural tool that releases God's power in our lives. Spend intentional time in prayer, seeking God's guidance. James 5:16.

SATURDAY: Embracing Kingdom Authority. As children of God, we have been given authority over all the power of the enemy. Reflect on areas where you can exercise your authority and pray for God's kingdom to manifest in those areas. Luke 10:19.

SUNDAY: Stepping into the Miraculous. God is a God of miracles, and we are called to partner with Him in the supernatural. Pray for a fresh outpouring of God's miraculous power and a deeper hunger to see His glory revealed. Mark 16:17-18.

ALL HAIL THE POWER OF JESUS NAME

All hail the power of Jesus' name!
Let angels prostrate fall.
Bring forth the royal diadem,
and crown him Lord of all.
Bring forth the royal diadem,
and crown him Lord of all!

O seed of Israel's chosen race
now ransomed from the fall,
hail him who saves you by his grace,
and crown him Lord of all.
Hail him who saves you by his grace,
and crown him Lord of all!

Let every tongue and every tribe
responsive to his call,
to him all majesty ascribe,
and crown him Lord of all.
To him all majesty ascribe,
and crown him Lord of all!

Oh, that with all the sacred throng
we at his feet may fall!
We'll join the everlasting song
and crown him Lord of all.
We'll join the everlasting song
and crown him Lord of all.

PROTECT YOUR HEART – SIMPLE DAILY HABITS

HOW CAN I PROTECT MY HEART DAILY?

Start with healthy eating. Choose more fruits, vegetables, whole grains, and lean proteins while reducing salt, sugar, and processed foods. Drinking enough water also supports proper blood circulation and overall heart function. Next, stay active. You don't need intense workouts—just 30 minutes of brisk walking, stretching, or light exercise daily can strengthen your heart and improve blood flow. Even taking the stairs or walking short distances instead of driving helps. Manage stress effectively. Daily pressures from work, finances, or family can strain your heart. Take time to relax—practice deep breathing, prayer, meditation, or simply unplug from stress triggers for a few minutes each day. Get enough rest. Aim for 6–8 hours of quality sleep each night. Poor sleep can increase your risk of heart problems, including high blood pressure. Avoid harmful habits like smoking and excessive alcohol consumption, as these significantly increase heart disease risk. If you already smoke, reducing gradually and seeking support can improve your health. Also, monitor your health regularly. Check your blood pressure, blood sugar, and cholesterol levels, especially if you have a family history of heart disease. Finally, maintain positive relationships. Spending time with loved ones and building a support system improves emotional well-being, which is closely linked to heart health. In summary, protecting your heart is about daily consistency—eat well, move more, rest enough, manage stress, and make mindful choices. Your heart will thank you for it.
